Don't spook the cows!

"Running too lean" for once.

Better views at CVF than back at Tempe Sports Complex.

This was the maiden flight for this Warthog. Not sure what went wrong but these things happen. Sorry, Dennis.

Clint is smiling because it's not his jet with the problem.

Hope this isn't the problem my dad used to have when he worked on the car...leftover parts!

How many people does it take to measure lipo voltage?

Answer - (4)

- 1 to check the voltage
- 2 to verify
- 1 Photographer to record the event

"A talented young man" - Randy M.
